

“Warehouse 2 Table”

From Hearthstone BakeryCafe

We are taking surplus inventory from our distributors (who aren't selling much to restaurants now) and making it available to those who need it. We can obtain many food items that people in our community cannot, so we are building a bridge to get the items you need to you. If you place an order today, we will ensure that your items will be packaged for pick up the next day. If we run out of any product on any given day, we will let you know when you order.

Please note that our standards of sanitation are always very high and we are taking measures in our kitchens and with our staff to ensure the safety of our customers and our team. Also, please be aware that Hearthstone BakeryCafe continues to provide take-out service at both locations for items on our take-out menu.

How does it work?

1. Call (210) 826-5668 to place your order for next day pick up at either Hearthstone location:
 - a. 4212 McCullough Ave, 78212 in Olmos Park, or
 - b. 3920 Harry Wurzbach Rd, 78209 (at the cross street of Oakwell Court).
2. Pay for your order over the phone with a credit card, or pay with cash upon pick up or delivery for a 5% discount.
3. We will take orders each day between 10 AM and 3 PM, Monday through Friday for next day pick up between 11 AM and 4 PM (no pickups Sunday or Monday).
4. If you prefer, we will bring your order to your car. You stay in your car and avoid the crowds...safe and comfy.
5. Enjoy.

Any orders placed totaling over \$100 will be eligible for free next day delivery. Please request your delivery time when you place your order.

****Please understand that we do not have the buying power that grocery stores do, and we are operating at much lower volumes. Consequently, we have much higher labor percentages. We have based the prices on our costs are to purchase the same items and pay for the staff to make them available. These prices only cover our costs to purchase the items and the labor required to make them available...we do not expect to “profit” off these items during these tough times. If you would like to “round-up” your total to the nearest \$5 or \$10 increment to help our family-owned restaurant survive through this crisis, let us know when you order...we will sincerely appreciate it!*
